3. Carefully remove lid to allow steam to escape. Serve directly from slow cooker (see Note).

**Notes**

To avoid injury, do not lift or transport the liner with food in it, and allow the slow cooker to cool completely before removing and discarding the liner.

Ingredients

1 (14-ounce) can sweetened condensed milk
2 teaspoons ground allspice
1/2 cup fat-free caramel topping
1 (16-ounce) package chocolate-flavored bark candy coating, broken into chunks
1/4 cup dark chocolate chips
Graham cracker sticks
Marshmallows

1. Combine first 3 ingredients in a 3-quart slow cooker; add chocolate-flavored bark candy coating and chocolate chips.

2. Cover and cook on LOW setting 1-1/2 hours. Stir and serve fondue with graham cracker sticks and marshmallows.

**Notes**

You can also press cereal mixture into a 9-inch by 13-inch pan and cut into desired pieces; or scoop out mixture with a cookie scoop. Use cooking spray on spoons, scoops, and hands to help minimize the stickiness.

Blueberries 'n' Dumplings

Enjoy Blueberries 'n' Dumplings all year-round with this sensational slow cooker recipe. Frozen blueberries are always in season, and the biscuits cook right on top for a bubbling, berrylicious treat that's sure to satisfy any sweet tooth.

**Ingredients**

- 1 1/4 cups sugar
- 3 tablespoons all-purpose flour
- 2 teaspoons grated lemon rind
- 2 (16-ounce) packages frozen blueberries
- 1 1/2 cups biscuit mix
- 2 tablespoons sugar
- 3 tablespoons butter
- 1 (8-ounce) container sour cream

**Directions**

1. Stir together first 3 ingredients in a 3-quart saucepan until blended.

2. Stir in blueberries. Cook, stirring constantly, over medium heat until sugar dissolves. Increase heat to medium-high, and bring mixture to a boil, stirring often. Cook about 5 minutes or until thickened, stirring often.

3. Meanwhile, combine biscuit mix and 2 tablespoons sugar in a medium bowl. Cut in butter with a pastry blender or 2 forks until crumbly; add sour cream, stirring until dry ingredients are moistened and a soft dough forms.

4. Pour hot blueberry filling into a 5-quart round slow cooker. Carefully drop dough in 6 large spoonfuls on top of filling.

5. Cover and cook on LOW setting 3 hours or until dumplings are golden (see Note).

**Notes**

Remove slow-cooker lid carefully to prevent condensation from dripping onto dumplings and making them soggy. Remember that some slow cookers have hot spots. To ensure that the dumplings become an even golden color, rotate the insert a half turn about halfway through cooking -- but don't remove the lid.
