1. Place the Jalapeño Cheddar Wraps on a cutting board. Spread each wrap with 1 tablespoon blue cheese dressing. Sprinkle the lettuce evenly over the dressing.
2. In a large bowl, combine the remaining ingredients; mix well. Place an equal amount of mixture in the center of each wrap, over the lettuce.
3. Fold in the sides of each wrap to cover half of the chicken mixture. From the end closest to you, roll up each wrap firmly, rolling away from you. Cut each wrap in half and serve immediately, or roll each in wax paper and refrigerate until ready to serve.

is for Ziti...

Better Baked Ziti

Baked ziti is a favorite Italian pasta dish, and our Better Baked Ziti is so convenient to make, you can easily turn out a restaurant-style baked pasta dish even on a busy weeknight. Now isn't that better than a high-priced restaurant tab?

Ingredients

1/2 pound ziti
1 (15-ounce) container ricotta cheese
3 cups (12 ounces) shredded mozzarella cheese, divided
3 cups spaghetti sauce, divided
1/2 cup grated Parmesan cheese

Serves: 8

Cooking Time: 30 Minutes

Directions

1. Preheat oven to 350 degrees F. Coat a 9- x 13-inch baking pan with cooking spray.
2. In a large pot of boiling, salted water, cook ziti until just barely tender; drain and place in a large bowl.
3. Mix ricotta cheese and half the mozzarella cheese with the ziti. Cover bottom of prepared pan with half the spaghetti sauce. Spoon ziti mixture into pan; cover with remaining spaghetti sauce. Sprinkle with Parmesan cheese and top with remaining mozzarella cheese.
4. Bake 20 to 30 minutes, or until cheese melts and is light golden.

Notes

The hearty-style prepared spaghetti sauces are especially good with this, and when you don't have ziti on hand, it's fine to simply substitute other shapes.
